

HR Advice Online

First National's HR Partner

HR Advice Online is the proud HR partner for First National throughout Australia, supporting members for over 10 years. We provide simple, friendly and straightforward HR advice, training and tools for the network.

How can HR Advice Online support your business?

Our purpose is to help protect your business and provide productive workplaces where your people are inspired to perform at their best.

As a member, you have access to:

- ✓ Customised documentation via the FN Central log in
- ✓ Support and advice via email and telephone from our HR Advisory Team
- ✓ Alerts when things change in the HR/IR world and what they mean for your business
- ✓ The Source - our monthly newsletter

What other services can HR Advice Online provide?

- Performance Management Online - we've simplified performance reviews for you
- Safety Advice Online - your one-stop-shop for safety advice
- Training programs, including Bullying & Harassment, Leadership & Communication
- HR Consulting, including HR Audits and Safety Audits
- Team workshops, including DISC profiling
